

How to choose a waterproofing contractor

With so many different companies to choose from, the decision of what company to use can be very overwhelming. To help make an educated decision and evaluate the companies you have met with, use this sheet to take notes on each company you meet with so you can evaluate each one and make a decision on YOUR time.

Company Name Phone Numbers Website	References	Licensed and Insured	BBB Member	Inspector's Name Was he on time?	Did you feel pressure the sign?	What type of warranty was offered?	Does the company use subcontractors?	Notes
